MiracleWipe™ Wipers

Highly absorbent wipes made from 100% continuous filament nylon, ideal for general wiping in critical environments. The double knit construction, texture and body of the nylon filament give the wiper an excellent hand and superior strength. MiracleWipe has ultralow particulate generation and low extractable levels that help prevent product contamination. Has a soft, nonabrasive surface, excellent tensile strength, elasticity and durability. Bag-Within-A-Bag™ cleanroom packaging.
