## Original Dust-Off Classic

Still the world's first choice duster after 20 years. The sturdy Dust-Off Chrome Valve is an industry standard so refills will fit most other chrome valve systems. The valve can be removed without loss of gas and the can retains the same pressure until it is empty.

<b>D058</b>	Dust-Off classic 300ml <i>complete</i> with valve	each
<b>D059</b>	Dust-Off classic <i>refill</i> 300ml	each
<b>D060</b>	Dust-Off classic <i>refill</i> 300ml	pack of 12
<b>D059/N</b>	Dust-Off classic chrome <i>valve and nozzle</i>	each

## Extension Nozzle for Classic

A metal extension nozzle with 57cm (22½") of clear flexible hose that is a push fit over the existing fixed nozzle of the Original Classic Dust-Off. This provides greater convenience for many cleaning applications.

## Anti-Static Wipes

Pre-moistened anti-static wipes that will quickly clean any washable surface leaving it static-free. Soft and non-abrasive, these wipes are ideal for computer cabinets, screens, keyboards, printers and copiers. Also for microscope desks and control panels. Unbreakable pop-up dispenser holds 70 wipes 143 x 203mm.

<b>C287</b>	Moistened anti-static wipes	box of 70

## MiracleWipe™ Wipers

Highly absorbent wipes made from 100% continuous filament nylon, ideal for general wiping in critical environments. The double knit construction, texture and body of the nylon filament give the wiper an excellent hand and superior strength. MiracleWipe has ultralow particulate generation and low extractable levels that help prevent product contamination. Has a soft, nonabrasive surface, excellent tensile strength, elasticity and durability. Bag-Within-A-Bag™ clean-room packaging.

<b>C176</b>	MiracleWipe wipers 9" x 9" (23 x 23cm)	3 inner bags of 50 (150 total)
<b>C289</b>	MiracleWipe wipers 10" x 12" (28½ x 31cm)	4 inner bags of 50 (200 total)

## Virusolve + Disinfectant

A complex blend containing the latest dodecylamine based structures, solvents and fully non-toxic, biodegradable detergent. The formulation does not contain any hazardous aldehydes or chlorine generating components. Highly effective as a cleaner and disinfectant against bacteria, mycobacteria, fungi, viruses, spores, MRSA, C.diff. HIV agents, E.Coli and NDM1. Virusolve+ does not simply render the microorganisms inert but has been demonstrated to kill them by disrupting the RNA of the microorganisms and preventing resistance being built up. It is safe to use on any surface and is odourless and colourless. Eco-wipes 300 x 250mm.
