

Nuisance Odour Mask

This mask provides excellent protection against nuisance odours arising from a wide variety of sources. Lightweight and comfortable it displays minimum interference with normal breathing, vision and speech.

M068 Nuisance odour mask box of 10

Nuisance Dust Mask

A similar construction to the odour mask but a more economical way of excluding dust particles.

M098 Nuisance dust mask box of 50

Premium Dust/Mist/Metal Fume Mask

3M 9332 gives protection against fine particulates up to 20 x OEL, metal fumes and water based aerosols. Fitted with exhale valve to reduce heat build-up and make breathing easier. Complies with EN149 FFP35.

M389 Premium dust/fume mask pack of 10

Organic Vapour/Particulate Respirator

3M 4000 series to EN405:FFABE1P2 approved standards. Protects against organic vapours (boiling above 65°C). Single piece construction with twin inhalation valves, parabolic exhalation valve to reduce breathing resistance, four point strap adjustment, adjustable head cradle and non-allergenic facepiece. Minimum 78% efficiency against particulates to 0.5µm up to 4 x OEL 1000 ppm. Additional protection against vapours up to 10 x OEL or 1000 ppm.

M390 Organic respirator 4251 Supplied in resealable foil bag each

* OEL = Occupational Exposure Limit
